

Discovery Days 2018

High school students are invited to experience university for a day at VIU. Discovery Days 2018 happens Feb. 27 to Mar. 1 at the Nanaimo Campus at VIU. Grades 10 to 12 students from across the Island can learn about supports offered for potential students.

From coding in a computer lab, to a group jam session, to printing t-shirts and testing simulators, students will get a real life experience of what university looks like. [Find out more.](#)
